Dear Applicant:

Enclosed is the application you requested.

The following is information regarding application for an adult foster care group home for 6 or more. Instructions and additional materials are included to assist you in completing the application.

Please return all of the completed and required application materials with a check or money order (which is non-refundable) for the appropriate license fee, payable to the "State of Michigan," to:

### Requirements of 400.734a/Criminal Record Checks

Effective 8/1/04, Act 59, which amends Public Act 218, requires that you not employ or independently contract with an individual who regularly provides direct services to residents if the individual has been convicted of one or more of the following:

- (a) A felony or an attempt or conspiracy to commit a felony within the last 15 years.
- (b) A misdemeanor involving abuse, neglect, assault, battery, or criminal sexual conduct or involving fraud or theft against a vulnerable adult within the last 10 years.

To determine this, you are responsible for obtaining criminal history information from the Michigan State Police Department (MSP) or Internet Criminal History Access Tool (ICHAT) available through MSP, with the written permission of the employment or contract applicant. Further, you are responsible for obtaining a written statement from the employment or contract applicant that the person has resided in the state of Michigan for 3 or more years.

If you are applying or are currently licensed for a facility with a capacity of more than 6 residents, effective 8/1/04, any persons you have made a good faith offer of employment or independent contract with, who will provide direct services to residents, and have been a resident of Michigan less than 3 years, their fingerprints are required to be submitted to the Michigan State Police Department for FBI criminal record checks. It is extremely important when completing the fingerprint criminal record request that you clearly indicate on the form that it is for an adult foster care facility in order for the FBI response to be provided to the correct agency.

If you are applying or are currently licensed for a facility with a capacity of 6 residents or less, persons you have made a good faith offer of employment or independent contract with who have been a resident of Michigan less than 3 years, you will need to make a request to the Michigan Department of State Police or state agency responsible for maintaining statewide criminal history information, of all the states in which the individual lived during the preceding 5 years, to conduct a criminal history check on the individual.

You are also responsible for having the applicant and all current employees or persons you contract with that provide direct services to residents, sign a statement that they agree to notify you of any future arrest or conviction.

If the employment or contract applicant has had a criminal history background check completed within the last 24 months for a previous adult foster care facility, health care facility or agency, you may obtain that information from that previous employer by having the applicant sign a statement that consents to the release of that criminal record check directly from that employer. It is unacceptable to receive this information from the employee or contract applicant.

You will need to establish an employer account with the MSP to facilitate the processing of criminal record checks. If you need to have the employment or contract applicants begin working before results are received, a conditional employment form must be complete. A sample form is available on the DHS Website/Doing Business with DHS/Licensing/Forms & Applications.

<u>Note</u>: The above documents must be maintained at the facility and made available for department review.

Fingerprint cards completed by the MSP posts must be sent by the licensees along with the fee to:

Michigan State Police Criminal Justice Information Center 7150 Harris Drive Lansing MI 48913

Please be sure to indicate AFC or HFA as appropriate in the address area, so that responses will be appropriately returned.

#### AFC LICENSING RECORD CLEARANCE REQUEST

There are two purposes to this form:

- 1. Produce a Department of State Police check regarding the possible existence of a conviction record.
- 2. Produce a Central Files check against current or previous licensee status of the applicant in any county of the state.

The existence of a conviction record or a substantiated child abuse or neglect record does not necessarily disqualify an applicant for licensure. However, it does provide the Agency with information, which will be carefully evaluated by licensing staff.

A failure on the part of an applicant to provide OCAL with the information and authorization requested on this form may be sufficient cause to deny issuance of a license.

AUTHORITY: Public Act 116 of 1973 as amended and

Public Act 218 of 1979 as amended

COMPLETION Required

CONSEQUENCE: Licensure may be denied.

Department of Human Services (DHS) will not discriminate against any individual or group because of race, sex, religion, age, national origin, color, height, weight, marital status, political beliefs or disability. If you need help with reading, writing, hearing, etc., under the Americans with Disabilities Act, you are invited to make your needs known to a DHS office in your area.
